Creative producer, project manager, and content creator who pairs operational discipline with a strong visual and cultural instinct. I turn ideas into content that lands, and keep complex, cross-functional work on time and on brand.

EXPERIENCE

Lunar Lighthouse

June 2019 – Present

Principal / Lead Creative

New York, NY

- Run a creative studio delivering brand strategy, content production, and creative direction — managing the full cycle from concept through editing and delivery, with freelance editors and designers.
- Create and distribute short-form video and social content, building a platform of 30,000+ followers and 6.5M+ views; fluent in Reels, TikTok, and YouTube.

Straightway Ethical Advisory

March 2024 – June 2025

Project Manager

New York, NY

- Owned client engagements end to end — scopes, timelines, deliverables — as the primary point of contact, coordinating cross-functional teams from kickoff through delivery.

Acutis Diagnostics Inc.

May 2022 – April 2023

Business Analyst

Hicksville, NY

- Managed cross-functional product launches across R&D, Sales, and Logistics — owning roadmaps, timelines, budgets, and stakeholder communication.
- Led the shift from waterfall to agile and built the process documentation that let the work repeat.

ScholarComp

June 2025 – September 2025

Product & Data Analyst

New York, NY

- Designed AI-powered workflows and prototypes, integrating emerging AI tools into content and product processes.

LaunchGood

July 2020 – September 2020

Business Development & Creative Strategy Fellow

New York, NY

- Designed fundraising campaigns and creative strategy for nonprofit clients, supporting campaigns that raised up to \$250K and building influencer partnerships to expand reach.
